RC SCALE AEROBATICS

Thursday was a big day for the John Schroder Scale Aerobatics Championships 2018! We started off with great weather, so it was taken advantage of and a lot of flying was accomplished. We were able to fly through Round 12 of the contest. This was a tough ordeal for a lot of people, but everyone came together and did their flying, judging, and calling as they were needed!

After the flying was completed, all of the contestants, families, and friends got together for the banquet. There was a great Italian buffet, and everyone thoroughly enjoyed the food!

This banquet was held at the AMA museum and everyone was invited to tour the museum and enjoy all of the great exhibits there. One of the new exhibits was just donated by IMAC's own Tom Pirrone and his son, Kyle. The model was a restored Skybolt that won some Aerobatics championships. Tom restored the plane and it is on exhibit now.

Also, every contestant was presented a commemorative plaque for attending the John Schroder Scale Aerobatics Championships 2018. As a bonus, Tina Schroder did the honors of handing each one out and giving out many hugs!

Lastly, the President's Award was given to Ty Lyman for his dedication and all of the hard work that he has done for IMAC. This is a truly deserved award to a truly humble gentleman!

So now, everyone studies his or her Unknowns and prepares for the final day of competition!

Tomorrow we do it one final time!

Wheels up! 🚁
